

Refrigerated display case - tefcold

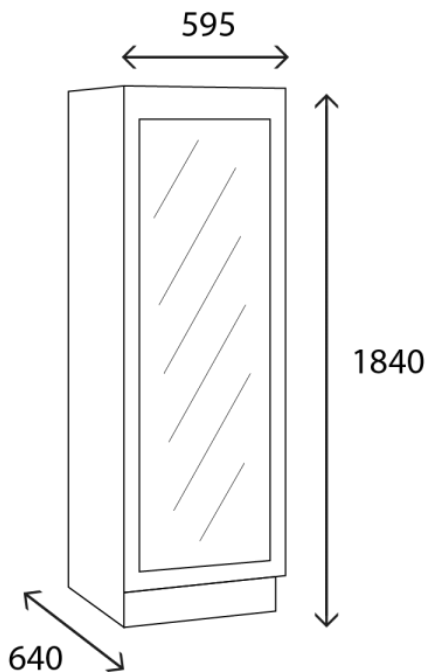

D3471

- Excellent product presentation
- Perfect for branding
- Neon lighting in the door frame
- Better cold distribution inside the display case
- Adjustable shelves
- Adjustable feet

The display case will keep your drinks cool at the temperature of your choice. It will allow you to showcase your products without having to open the door: a real energy saving.

On request: a stainless steel transport chassis is also available to safely transport your box during your various events.
