

## TRAPPISTE BEER UP

1 draft

D3021BU

MADE IN FRANCE

Convenient: Portable and compact  
Built-in expansion valve and drain valve  
Customizable with your brand logo.

Equipped with Beer-Up system:

Easy: Automatic or manual filling from below the cup  
Quick and easy service accessible to the uninitiated  
Led lighting when filling the cup  
Economic: Faster and more profitable  
Ecological: Washable and reusable glasses (about 500 uses)

Innovative, the Beer-Up Trappist allows you to serve differently, without constraint: Ideal for your events. No need to know how to draw beer: simply place the glass in the opening and the filler fills it up by itself, to the nearest centilitre. It thus ensures a gain in speed and therefore a much higher yield. Equipped with a 25 cl draught. The cups are washable in dishwashers and glass washers. The Beer-Up Trappist will be particularly suitable for events requiring a flow rate of 100 l/h ( $\Delta T$  15). Supplied with 50 cups of 50 cl.

## Technical Specifications

<b>NUMBER OF MAX. DRAFTS</b>	1T
<b>HOURLY FLOW (<math>\Delta T</math> 15) L/H</b>	74
<b>COMPRESSOR POWER (HP)</b>	3/8
